

Edensor Park Public School

Anti-bullying Plan 2023

Bullying behaviour has three key features. It involves the intentional misuse of power in a relationship. It is ongoing and repeated, and it involves behaviours that can cause harm. The NSW Department of Education requires all NSW public schools to have an Anti-bullying Plan which details the strategies implemented to reduce student bullying behaviours.

Resources

The NSW anti-bullying website (see: <https://antibullying.nsw.gov.au/>) provides evidence-based resources and information for schools, parents and carers, and students. Schools are encouraged to visit the website to support whole-school prevention, early intervention and response approaches and strategies for student bullying behaviour.

Edensor Park Public School's commitment

Our school rejects all forms of bullying behaviours, including online (or cyber) bullying by maintaining a commitment to providing a safe, inclusive and respectful learning community that promotes student wellbeing. Executive staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

1. School culture and inclusion
