

The header features a green oval background. On the left is a cartoon boy with a backpack and lunchbox. On the right is a cartoon girl in a yellow dress with a halo. The text 'Edensor Park Public School' is at the top, and 'NEWSLETTER' is in large white letters in the center.

Edensor Park Public School NEWSLETTER

19 June 2014

Thank you to the parents who wait patiently for our gates to open on Wednesdays for our school assembly. We do not open the gates until the end of lunch time, so we can make sure our students are back safely in their classrooms, and we can control who enters our school grounds. Please do not enter our school grounds during school hours unless you have reported to the front office.

I would also like to remind parents and community members that no one is allowed to take photos of students in the playground, during recess or lunchtime. When we have special events where the community are invited up to join the school, we are able to make special arrangements for students who are not permitted to have their photo taken, and avoid them being accidentally photographed by others. I would also remind the parents that our toilets in the playground are for the students only, and ask that adults avoid using those toilets.

Our P&C Committee have been very proactive in responding to issues raised by the parents and community members. There was a need expressed by our parents to have the children spoken to about 'stranger danger', bullying and cyber bullying. The P&C were successful in having one of our local police liaison officers attend the school this week, and speak to all the students about these important issues. A huge thank you to our P&C for always looking after the safety and well-being of our students.

Next week during parent teacher interviews, the P&C will be seeking your advice on which school photo pack you would like to see for our school photos in 2015. There will be a table set up outside the office block, with all photo packs on display. We ask you to place a tick against the pack you would like to see for 2015. We will then choose the pack that the majority of our parents select.

I wish everyone a safe and relaxing school holiday break, and thank the staff and community for their ongoing support. The first day of Term 3 for all students is Tuesday 15th July.

1/2C's Police Visit

Today we saw the police lady. Her name was Lyndall.

She showed us police cars and motorbikes.

Then she showed us her gun, radio and handcuffs and I was wearing them!!

Finally she showed us a funny video.

By Mathew

Today there was a police visit. They were ladies. There were two of them. One of them told us the stuff that police do.

She had a uniform, pepper spray, radio and guess what they did to Mathew?

... First she said, "You there, come up here". AND SHE HANDCUFFED HIM!!!!

Then she told us what they ride in. She said, "We don't only ride in police cars, we also ride in helicopters, motorbikes and trucks too".

By Dahlia

Today a police lady came and told us some interesting, cool things. I was very afraid of her but she was kind. Her name was Lyndall.

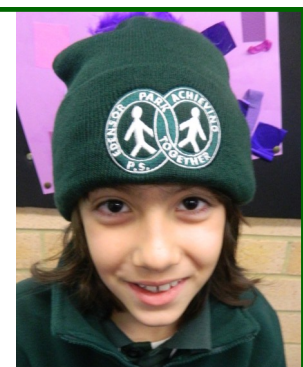

She showed us lots of tools police use. She handcuffed my friend Mathew. She had a gun, radio and baton.

Then she showed us the police cars and helicopters. Lyndall told us important things you must know like your address and your mums phone number.

BEANIES
NOW AVAILABLE
\$6.50 EACH**

2K used playdough to create a story on i-motion using the iPads with Miss Angileri.

They did a great job!

Our School Sporting Champions...

Soccer

Congratulations to our 2 soccer champions Alanah and Antun.

Our PSSA soccer captains, Alanah and Antun trialled for the Horsley Zone PSSA soccer teams. They demonstrated their brilliant individual soccer talent at these trials.

Antun was selected into the Horsley Zone boys' soccer team and Alanah was selected into the Horsley Zone girls' soccer team.

Our two champion athletes made our school proud, playing in the Sydney South West Regional Soccer Championships. The Horsley Zone girls' soccer team (that Alanah was part of) came first at these Championships making her team the best in the whole of the Sydney South West Area. Some of the girls from Alanah's team were selected to play in the Sydney South West team at the State Championships next month.

Well done Alanah and Antun !!!

Our School Cross Country Champions

Congratulations to all our Horsley Zone Cross Country champions who represented our school at the Horsley Zone Cross Country Carnival at Brenan Park Smithfield.

We must extend our congratulations to Alex S., who came 6th at this carnival in the 12 year boys' event.

Alex has now qualified to represent the Horsley Zone Cross Country Team at the Sydney South West Regional Cross Country Championships.

Well Done Alex! We are all very proud of you.

Swimming

Congratulations to our two swimming champions, Sarah and Cindy, who represented our school at the Horsley Zone Swimming Carnival last term. Sarah displayed a wonderful performance in the pool and achieved a 3rd place in the 12 year girls 50m backstroke. Well done Sarah !!!

Congratulations to Cindy who also represented our school at the Horsley Zone Swimming Carnival last term. Cindy achieved outstanding results in the pool. She came 1st in the 100m Freestyle, 50m Freestyle, 50m Breaststroke, 50m Butterfly and Senior Individual Medley. She also came 2nd in the 50m Backstroke. Cindy would have won this event as well but she unfortunately missed the start by 2 metres but managed to catch up for a close second.

Cindy has been awarded the Horsley Zone Senior Girls Swimming Champion for 2014. She was presented with a medallion by the Horsley Zone President.

Congratulations Cindy, you are a dedicated sporting champion. These incredible swimming results don't come easy. Cindy trains 5 days a week and eats a very healthy diet. **"CHAMPIONS DO THINGS DAILY, WHAT OTHERS DO OCCASIONALLY!"** This quote sums up our Cindy. Good on you Cindy, we should all take a leaf out of your book!

PSSA NETBALL RESULTS

ROUND SIX	EPPS	Wm Stimpson
Junior	2	12
Senior	12	12

PSSA SOCCER - ROUND 6 : BYE

Angles in the Environment

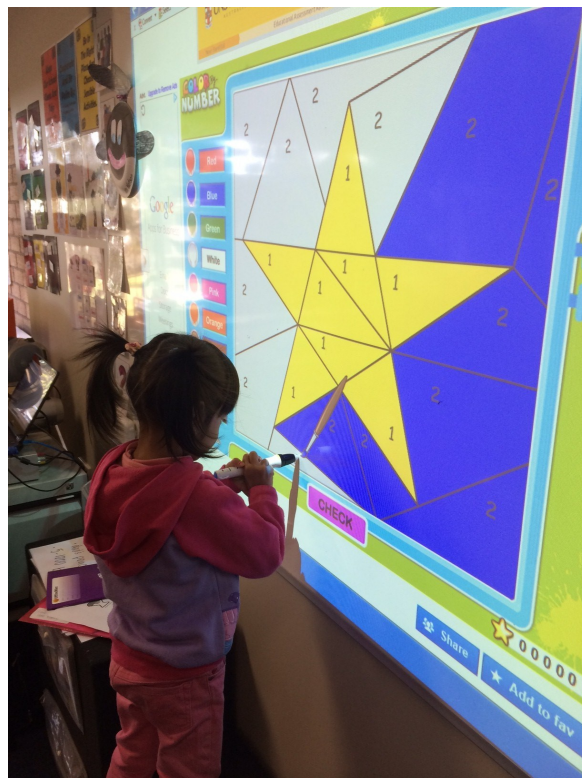

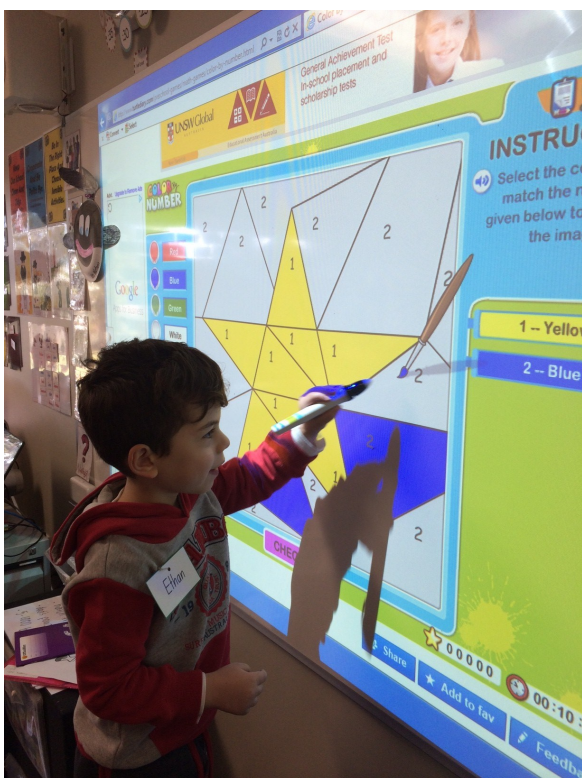

2/3L have been studying angles and decided to explore the school grounds to find where the angles were hiding! We found so many angles and used our bodies to highlight them. We found acute, obtuse, straight and right angles! Can you see the angles we found?

Edensor Park School Readiness Program

Our Poppets have been busy learning all about the letters f and g, and practising their numbers on the interactive whiteboard.

We are looking forward to some painting and play during the last week of term 2.

Dates to Remember
