16 JUNE  
SRC PYJAMA DAY  
THURS 17 JUNE  
P&C MEETING @ 3:30PM**

#### Week 10

**WED 23 JUNE  
ASSEMBLY - KZ  
FRI 25 JUNE  
LAST DAY OF TERM**

**School Resumes  
TUES 13 JULY**

### **WELCOME TO WEEK 7 FROM THE PRINCIPAL'S DESK**

This is the new format for our Edensor Park Public School's newsletter. We hope that you like it. From this week, we will be moving to a fortnightly system for the newsletter. The newsletter will be distributed in weeks 1, 3, 5, 7 and 9 of each term. Additional school news and parent information will continue to be disseminated via our Skoolbag app and Facebook page as needed.

Our school will be holding "Three Way Interviews" during Week 10 - 21st-25th June 2021. For our interviews this year, we are using a web-based booking system called [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au). A note will be going home tomorrow to explain the booking process.

Last week we held our annual P&C AGM where our new 2021 P&C Committee was elected. Please join me in welcoming our new P&C Committee for 2021.

President: Sabrina Tambasco  
Vice President: Cecilia Blake/Tuola Chrisafis (Co)  
Secretary: Belinda Tatchell/Danielle Marrone (Co)  
Treasurer: Evelyn Mejia/Elizabeth Stanojevic (Co)

Have a great week!  
Mr Santucci

# New Eating Areas

---

For many years, our school has been battling the growing amounts of rubbish being left on the ground as well as lunchboxes and drink bottles being left behind at recess and lunch. These bad habits have made our school untidy and messy. Therefore, to help clean up our school and to make it more presentable, teacher's are enforcing some new school rules. The canteen area and amphitheater are now eating areas. Student's who haven't finished eating their food items or have purchased products from the canteen are now asked to sit down in the designated eating areas. What's been super fantastic is that within the first two days a significant amount of rubbish has been reduced. So well done Edensor Park. Let's continue to look after our school and show pride in the place we learn. Sit down to eat and put your rubbish in the bin.

# National Simultaneous Storytime

On Wednesday, 19th of May, our school participated in National Simultaneous Storytime. This is an annual event in which kids from around Australia and New Zealand read a book at the same time. This year 1,980,280 people from 33,418 locations participated in National Simultaneous Story Time! At our school, all the classes gathered in the hall to watch Dr Shannon Walker; who is a real astronaut, read the story 'Give Me Some Space!' by Philip Bunting from SPACE! Isn't that amazing? She was kind enough to stop her astronaut duties and read us the story from the Japanese section of the International Space Station. How cool is that? Everyone enjoyed their time listening to the story. Afterwards, we had loads to talk about because the story encouraged everyone to look after the only planet in the universe that possesses life...ours! What a great message and event! We're all looking forward to our next National Simultaneous Storytime and we wonder what it will have in store for us.

# National Simultaneous Storytime

# Zone Cross Country

On Wednesday, 19th of May more than 20 students from our school participated in Zone Cross Country. This event was held at Brennan Park and required students to run 2km. All attendees put in an exceptional effort. They ran as fast and hard as they could and we're so proud of everyone who competed. However, a massive congratulations goes to Layla Kanoun who competed in her event with 100 other students and came 4th! WOW! Well done Layla. We wish you all the best at regionals.
