# GRANDPARENTS AND CARERS DAY

**TUESDAY 30<sup>TH</sup> OCTOBER 2018**

NSW Grandparents Day is held every year in October to celebrate the role grandparents and older people play in society – both the things they have done, and the things they keep doing.

On **Tuesday, the 30<sup>th</sup> of October**, Edensor Park Public School will celebrate '**Grandparents and Carers' Day**' by recognising the special contribution that grandparents and carers make to their family and to our school community. On this day, students will be busy sharing stories and writing poems about their grandparents or carers, as well as participating in craft activities to show their appreciation for their love and care.

*We would like to extend an invitation to all our grandparents and carers to visit their grandchildren's classroom on this Tuesday from 10.30am until 11.00am to share in an activity. We look forward to seeing you!*
